YOUR ARRIVAL IN LYON /

◆ A one-stop multi-service online welcome desk

STUDENTS WELCOME DESK 2022

COMUE Université de Lyon and its partners work together to support international students when they arrive in Lyon (and in Saint-Étienne), to ensure their academic year gets off to a good start, and to ease their integration into life in France.

Every year, the Students Welcome Desk teams inform and help students with all the administrative procedures required at the start of the academic year, in particular regarding residency permits and also on all help and support systems available within the Lyon conurbation.

Since 2020, international students can carry out all procedures related to residence permits entirely online.

The hotline's multilingual advisers provide international students with remote assistance for their administrative procedures and their integration into life in France; they are also available to meet in person (by appointment only) in the ComUE Université de Lyon Digital Space.

Dates and Opening Hours:
Hotline and reception by appointment in the Digital Space.

ACCOMMODATION

Finding somewhere to live is not always easy.

Rents are often high, and landlords require financial guarantees (such as a deposit). Nevertheless, there is a wide range of accommodation on offer: halls of residence that are exclusively reserved for students and managed by the CROUS, student halls and private lodgings, rooms in private homes, flatshares...

The main thing is to start preparing for this as early as possible, before leaving your home country.

RESIDENCE PERMITS

WHAT YOU NEED TO KNOW

- If you have just arrived in France on a long-term VLS-TS student visa: you must **validate it online as soon as you arrive in France**, on the ANEF (Administration numérique pour les Etrangers en France - Digital Administration for Foreigners in France) website. This validation must be carried out within the three months following your arrival: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>
- If you have Algerian citizenship or you are a student holding a "concours" visa or a visa bearing the mention "carte à solliciter dans les deux mois" ("card to be requested within two months"): your request for a residence permit must be carried out at the Préfecture.
- If you hold a "mineur scolarisé" ("minor in education") visa and you have since attained your majority, you must request a residence permit directly on the ANEF website or at the *préfecture* of your place of residence within the two months following your attaining the age of legal majority: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

Please note: if you wish to renew your residence permit or VLS-TS, you must make your request during the third month preceding the date of end of validity of your current residence permit, on the following website: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

The following tutorial can help you with this procedure: <https://www.campusfrance.org/en/tutorials-to-help-international-students-in-their-application-process>
