Campus France will guide you through your first steps in France and exploring Metz, your new home.
Your Arrival in Metz

Accueil International, the international welcome desk, is open year-round for all Université de Lorraine students.

At Université de Lorraine, on the Saulcy Campus in Metz, Accueil International is a one-stop information and welcome desk. The desk staff will give you information on day-to-day life and administrative procedures before, during, and at the end of your stay. It is the place to go for carrying out many of the required procedures, which can be completed on the spot. These include applications for residence permits, in partnership with the Prefecture of Moselle.

In September and in October, these arrangements are completed by the Welcome Desk which will assist you with online procedures (CVEC, validation of your visa, signing up for French social security, CAF, etc.).
